

Eyeglass recycling is an important part of the Lion's signature cause - support for the blind & eye health. Used eyeglasses are collected from recycle boxes located throughout the area.

Once collected, Lions Clubs of Lower Westchester take the collected glasses to the Lions Recycle Center in Trenton New Jersey, where they serve in the recycle process. This includes sorting, cleaning and prescription checking. They also fulfill orders for cleaned and prescription-checked glasses for distribution worldwide.

Following are some of the collections locations in the area:

Larchmont:

- Foley's Hardware 2088 Boston Post Road
- Hunan Larchmont 1961 Palmer Ave
